## POLICY TITLE

## REASONS FOR CHANGE

**Scheduling and Routing**  
**Policy 3.401**

**Bus Conduct**  
**Policy 6.308**

New legislation requires that school boards have a policy in place prohibiting a student from exiting a school bus at a stop other than their regular bus stop without prior, written permission. The new law also requires bus drivers to be informed of the policies and regulations of the school system. Finally, the bus conduct policy was modified to conform to the new law and specifies the conditions for removing a student from the bus.
